- UniSport facilities may not be booked for competing business activities.
- When booking a regular or one-time session, all group members must be University of Helsinki/Aalto University/Hanken students in order to be granted a discount. If there are participants not belonging to these groups, UniSport has the right to charge standard prices.
- This rule does not apply to either regular or one-off bookings for badminton, for which your training partner does not need a group affiliation.
- Bookings for regular practice times (both used and unused) are invoiced during the term. Fees for one-time bookings must be paid in advance at a UniSport customer service point or online.
- This price list applies to regular practice times and for one-time bookings made within the next seven (7) days. If facilities are available, you may also make one-time bookings beyond the seven-day limit. In such cases, all customers must pay at least the standard price, regardless of their affiliation.

*Customers entitled to preferred customer price: (other than Aalto, Hanken, UH), Alumni Association members of Aalto/Hanken/UH, pensioners.
